## THE ROUTE OF THE HABANO CIGAR

**The Route of the Habano is an exquisite visit to learn about one of the finest Cuban traditions.**

During the cigar tour, the client will see the best tobacco farm, where the workers grow and care for “Cuban gold”, our Habano cigar. In the western region of Cuba, Pinar del Rio, you will enjoy one of the most beautiful landscapes, characterized by the Mogotes: magnificent, that rise up from the scenic farmland. The Mogotes are the best in the Caribbean Sea, and should not be missed.

You will become acquainted with tobacco farming, perhaps ride a horse in the fertile land, known as Vegas, eat excellent Cuban creole cuisine, or dive in the Coral Reef, or visit the Biosphere Reserve, at Maria La Gorda. Back in Havana, clients can taste the powerful combination of Habano cigar and Havana Club rum and drive in a vintage convertible car, seeing the emblematic places of the New Seven Wonder City.

## ROUTE OF THE CHEESE RANCH “EL OLIVO”

The Farm El Olivo is located in the municipality of Viñales. It is a Farm that holds the five star award of the Urban Farm Movement. Everything that is grown on the farm is organically produced, and these products, such as vegetables and 35-day semi-cured goat Artisan Cheese, are those used in the MEDITERRANEAN diet offered at the El Olivo restaurant in the town of Viñales.

The farm was transformed in 2012 from a pineapple production farm to an organic farm, where they had 2.4 hectares of land and today the farm is 26.1 hectares. The experience of taking the Artisan Cheese Route tour is carried out as follows: clients are welcomed and begin with a short introduction and history of the farm. The different areas are visited such as the cheese factory, the mechanical milking facility, the platforms where goats are seen, the organoponic cultivation the grazing areas and the free range Creole pigs. At the culmination of the tour, clients are offered a tasting of our 35- day semi-cured Artisanal Cheese, accompanied by a drink (this can be a bottle of water or a beer or a glass of red wine).

## CUBA'S HISTORIC TOWNS

### VISIT THE HISTORIC TOWNS IN CUBA.

Our clients can visit the towns founded by the Spanish settlers during the XVI century, including those declared World Heritage Sites by UNESCO; with guided tours in the main museums, cathedrals, theaters; remembering the unforgettable vintage convertible cars; cars that have been inherited from parents or grandparents.

We will share our pristine and authentic historical landmarks and cultural background in the Cuban island.

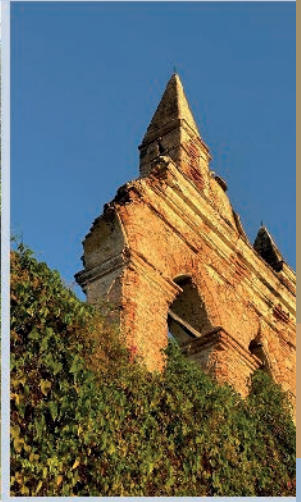

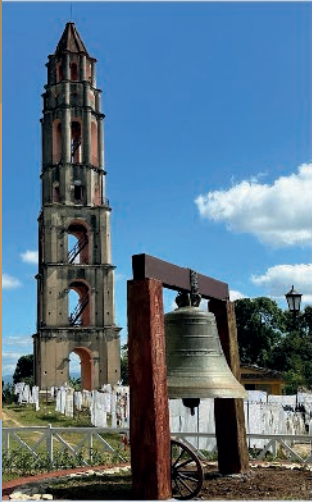

## DISCOVERING CUBA

**Getting to know Cuba is a gratifying Experience. Enjoying a country full of natural beauty and historical richness, that blends of Spanish and African culture. It is truly unique.**

The value of Cuba is not one part, or one thing. The value for the traveller is the sum of experiences in total. Cuba is a country that is clearly evolving in real time, yet has a wealth of history, full of cultural pride with a climate that is fabulous year round, with heavenly beaches, and the ability to quickly move to mountains and rain forests with unique nature and vegetation. The historical towns with UNESCO heritage designation and enjoy a drive in a classic car. Relax. enjoy, good food and great resorts, BnB's, and boutique hotels.

**Cuba, the Pearl of the Antilles, is a country to enjoy family vacations, relaxing atmosphere, good food and resorts at the spot where heavenly beaches wait for its visitors to come.**

Kick back and hang out in the squares and plazas, watching our children playing. Discover cannons from the XVI, XVII, XVIII centuries in fortresses and castles. Visit our Biosphere Reserve Zapata Wetlands, and admire our flora and fauna, swimming with the fish, dive and much more.

These are the pieces of the unforgettable journey in our island, let us create a magical visit for you!
